

## CITY HOPE SMALL GROUP LEADER FAQs

### **Will I have help?**

Yes you will! Additional leader orientation is offered, but not required—contact the Small Groups team for more information .

### **Do I need to be a "Bible Expert" to host a group?**

Definitely not! All you need is a desire to serve the members of your group and to grow in your personal relationship with Jesus Christ. When you take this step of faith, the Holy Spirit will give you what you need to be an effective leader. If you decide to continue the group past this study, we'll continue to help you with curriculum and also help with additional training and coaching.

### **How will I get people for my group?**

You and the members of your group should invite your friends, neighbors, co-workers, family, etc., to join the group. This is the best way to get new members. Pray before you invite someone new. Ask God to soften his or her heart and then step out in faith and make the invitation. You will also be given information for people interested in joining your group via the web site and the small group table to contact with the specific details of your group (location, time, day, etc.).

### **How will I get my City Hope materials?**

The City Hope devotional book can be purchased directly from the church—one book will be provided for each small group leader. The DVD lessons and small group leader materials will be available for download at <http://www.fbceg.org/CityHopeDownloads.html>.

### **When does the study begin and end?**

The weekend of April 11th (for those churches with Saturday services) and 12th, we will kick off the study and you will hold your group first City Hope small group meeting that week. The study will end the week of May 29th and 30th with Celebration Week.

### **Who do I contact with questions?**

Contact your Small Groups team leaders if you have any questions or need any assistance with your group. We're here to help!
