

COMMUNITY GROUPS

@BOSS

Community Groups are the heartbeat of BOSS and are where discipleship growth and pastoral care takes place! Because we believe that everyone needs fellowship and support we encourage you to connect with a Community Group in your area. Take a look at the list of current groups and choose one that works best for you. Complete the connect form and turn it into the Community Groups table or email the community group leader(s) directly. The leader or a member of the ministry team will contact you with more information. Or email communitygroups@bossonline.org for help!
